Effectively Representing Clients in Family Mediation

*Forrest S. Mosten, Hon. Elizabeth Potter Scully,
and Lara Traum*

Excerpt from Foreword by David A. Hoffman

“Today, lawyers are looking for advice about selecting a mediator, preparing clients for mediation, and coaching the clients through the negotiation to a settlement. And this book is where lawyers will find answers to those questions—in abundance, with wise perspectives, examples from cases, and bullet-point practice tips.

... Lawyers have a unique opportunity to contribute to making the world a better place. Learning how to represent and advise clients effectively in mediation can be one of the most powerful contributions of that kind, supporting the efforts of mediators to ‘bring peace into the room’—a mission that lawyers can share.”
